## **BioSolveIT SeeSAR \_\_HOT\_\_ Free Download**

SeeSAR - an interactive and visual platform for molecular modeling and drug development for compound evolution and prioritization, backed by science. We are currently creating a platform for the development of new molecules for pharmaceutical and biotech companies and start-ups. We have many projects related to molecular modeling and drug development, which include: living and dead cell modeling, gene and gene expression modeling, DNA modeling, protein modeling, transfer RNA modeling, oligonucleotide modeling, interaction modeling, etc.
