Institute of Technology, Cloud, and the majority of the staff that worked on Bravely Default. Development is currently in progress. NEXT UP: - Dispatch We're currently working on the development of "Dispatch", a new in-game scenario that will be implemented when we release the new scenario. We've also decided to further improve the UI to make the game easier to play, so please look forward to it! THE INTERNATIONALS Beginning with the release of FINAL FANTASY X/X-2, we have gained the experience of taking part in various international events. In addition to being invited by Square Enix to the New World Festival 2017, we are participating in the community marketing events organized by the FINAL FANTASY TIMES, the official magazine for the game. We hope to continue to do our best to be active worldwide. ● Events in the U.S. In addition to the ongoing "Square Enix Presents Final Fantasy XV" event presented by Square Enix, we have also participated in the "Square Enix Presents Final Fantasy 15 Roadshow" event that was presented by Square Enix in collaboration with global gaming media company Omron. We were able to meet and greet fans of the FINAL FANTASY series and show off the latest updates of FINAL FANTASY XV, so we were truly excited to participate in such a great event, even for a short time. We were also able to view all the the latest FINAL FANTASY TIMES for the game, and it was fun hearing the voices of the fans who enjoyed the game. In the U.S., we will continue to present developments through the community events, and we also hope for fans to continue to get excited! THE FINAL FANTASY TIMES The Final Fantasy TIMES has been dedicated to the FINAL FANTASY series since the release of FINAL FANTASY IV, and it is a great honor to be allowed to present new
