Click Here To Download Full Version Free One of the most popular games in the world is on sale for just \$5 today only. If you've been waiting to get your hands on StarCraft II: Legacy of the Void, this is your chance. StarCraft II: Legacy of the Void is an epic new chapter for the universe of StarCraft, filled with story, intrigue, and epic multiplayer battles. For 20 years, the universe has been dormant, but now a fierce new cold war has emerged. Like the classic StarCraft, Legacy of the Void features three factions—the Terrans, the Protoss, and the Zerg—each with their own weapons, technologies, and units. To truly experience the Legacy of the Void, though, you'll need to assemble your own team. Legacy of the Void is now available on PC and consoles for just \$20 until September 14, 2018. Learn more about Legacy of the Void and get your key here: Get rid of unwanted people in your life with The Sims 4: Object Type Remove.
